

Best Practice 1

1 Title of the Practice –NSS Extension activity .

2 Objectives of the practice –Youth leadership and community development.

3 The Context

The extension activity is the third dimension of education .Along with academic, social and personal life, the NSS allows the students to contribute services to the community and the Nation. The college through these extension provides the students a platform to get involved with real life activities and the thereby become responsible citizens of India.

4 Practice

The college annually organizes number of extension activities with primary focus on the development of personality of students through community services. Activities like NSSspecial camp, awareness rallies, cleanliness drive , blood donation camp, health checkup camp, plantation in the college and at the NSS special camp site are organized by the college. Health checkup camp and Yoga training is conducted in NSS camp for the students and villagers.

NSS is a ‘National social scheme’ which work on moto ‘ Not me but You’..The vision of the institute is to develop the center of academic excellence in the field of higher education for students and equip them to be good responsible citizens of the Nations.Though NSS students can achieve self employment as well as values necessary for life which are destroy in present generation. The attitude of social responsibilities and understanding of cultural and national values are enhance through extension activities like N.S.S

5 Evidence of Success Through these activities, student are motivated and get an opportunity to do social work and develop sense of nationality.NSS. organizes expert talks on the importance of social service and community work,This help the volunteers to understand the context of their relationships with the community .Special camps and rallies on social issues expose the students to the need of the community and various activities involve them in the problem solving process. Medical health checkup and blood donation camp create among the volunteers a sense of social responsibility , residential camps build a competency for group living and community sharing. The volunteers involve in different activities also acquire leadership qualities leading to national and social harmony. Through NSS unit we are helpingvictims of natural disaster and also involved in various strategy performed by Indian government .

6 Problems Encountered and Resources required.

One of the major problems of the NSS is that the goals and objectives of the NSS are numerous and universities as well as people have high expectations of the NSS volunteers. The NSS volunteers are supposed to understand the community around , identify its needs and find solutions for them , acquire skills for mobilizing community participation, acquire leadership qualities and democratic attitude and come forward to tackle the situations created by emergencies or natural disasters. One very serious problem is that of finance .There is always a shortage of resources.
